November 20, 1995

Council Member Tucker, through the Chair, directed the City Clerk to read letter into the record from Corporation Counsel Hollar-Gregory dated November 20, 1995.

City Clerk Marasco read:

"This memo will supplement my presentation to the Municipal Council of November 20, 1995, concerning the settlement of the above-referenced matter. When this case was initially instituted in the summer of 1994, Magistrate Hedges assigned the matter to former Supreme Court Justice Morris Pashman for the purpose of mediation. Several meetings were held with attorneys for all parties, but it could not be resolved.

On October 12, 1995, the attorneys for all parties appeared before the Honorable Nicholas Politan, Judge of the U.S. District Court for the District of New Jersey. A motion was scheduled before Judge Politan on the 12th, however, the Judge adjourned the motion and engaged in extensive discussions with all counsel concerning a potential amicable resolution of the matter. A prior conference with Judge Politan concerning a proposal for settlement had been unsuccessful.

At the October 12th conference, Judge Politan, after extensive discussions, obtained from plaintiff a settlement demand in the amount of \$60,000, substantially less than previously demanded. The settlement will consist of \$30,000 paid to Mr. Upshaw in settlement of all of his claims of any type, nature or description. The remaining \$30,000 will be paid to Mr. Upshaw's attorney to satisfy all claims for counsel fees relating to the matter.

Raymond Brown, Sr., Esq., representing Mayor James; and Alan Bowman, Esq., representing Jackie Mattison, have agreed as part of the settlement, to waive any claims for fees due to them with respect to the litigation.

John Pidgeon, the attorney from this office assigned to the case, has stated that Judge Politan has strongly recommended that the City of Newark accept the proposed settlement in the amount of \$60,000. Judge Politan noted that the exposure to the City for damages and counsel fees could significantly exceed the \$60,000 settlement.

Under all of the facts and circumstances and the applicable law, it is my opinion that the settlement is in the best interest of the City of Newark and should be approved.

If you desire additional information with respect to this matter, please advise."

The Honorable Lt. Col. Emmanuel Okyere

Kumasi City, Ghana

Dear Mayor Okyere:

It is with great honor and pleasure that I write to officially invite the Municipality of Kumasi City to enter into an International "Sister City" affiliation with the City of Newark, New Jersey, The United States of America. This letter is written after a delegation of Newark municipal government officials and citizens were accorded an invitation to visit the great nation of Ghana and your city between December 9th and 19th, 1994, during which time amicable discussions were held to establish our Sister city affiliation.

I, and other members of the delegation were overwhelmingly pleased with and enjoyed the stupendous and warm hospitality accorded us during our visit. In gratitude, The Newark Municipal Council, on January 18, 1995, voted unanimously (Resolution 7RBZ) to enter into an affiliation with your municipality. The Members of The Newark Municipal Council and the proud citizens of the ethnically and culturally-diverse City of Newark, envision this genuine alliance as a growing awareness and appreciation of the many diverse cultures of our two cities to last for many decades.
